§ 263.102

§ 263.97 Proceedings under this subpart.

Except as otherwise provided in this subpart, any hearing held under this subpart shall be held before an administrative law judge of the OFIA pursuant to procedures set forth in subparts A and B of this part. The Board shall appoint a person to represent the Board in the hearing. Any person having prior involvement in the matter which is the basis for the suspension or debarment proceeding shall be disqualified from representing the Board in the hearing. The hearing shall be closed to the public unless the Board, sua sponte or on the request of a party, otherwise directs. The administrative law judge shall refer a recommended decision to the Board, which shall issue the final decision and order. In its final decision and order, the Board may censure, debar or suspend an individual, or take such other disciplinary action as the Board deems appropriate.

§ 263.98 Effect of suspension, debarment or censure.

(a) *Debarment.* If the final order against the respondent is for debarment, the individual will not thereafter be permitted to practice before the Board unless otherwise permitted to do so by the Board pursuant to § 263.99 of this subpart.

(b) *Suspension.* If the final order against the respondent is for suspension, the individual will not thereafter be permitted to practice before the Board during the period of suspension.

(c) *Censure.* If the final order against the respondent is for censure, the individual may be permitted to practice before the Board, but such individual's future representations may be subject to conditions designed to promote high standards of conduct. If a written letter of censure is issued, a copy will be maintained in the Board's files.

(d) *Notice of debarment or suspension.* Upon the issuance of a final order for suspension or debarment, the Board shall give notice of the order to appropriate officers and employees of the Board, to interested departments and agencies of the Federal Government, and to the appropriate authorities of the State in which any debarred or sus-

pended individual is or was licensed to practice.

§ 263.99 Petition for reinstatement.

The Board may entertain a petition for reinstatement from any person debarred from practice before the Board. The Board shall grant reinstatement only if the Board finds that the petitioner is likely to act in accordance with the regulations in this part, and that granting reinstatement would not be contrary to the public interest. Any request for reinstatement shall be limited to written submissions unless the Board, in its discretion, affords the petitioner an informal hearing.

Subpart G—Rules Regarding Claims Under the Equal Access to Justice Act

§ 263.100 Authority and scope.

This subpart implements the provisions of the Equal Access to Justice Act (5 U.S.C. 504) as they apply to formal adversary adjudications before the Board. The types of proceedings covered by this subpart are listed in §§ 263.1 and 263.50.

§ 263.101 Standards for awards.

A respondent in a covered proceeding that prevails on the merits of that proceeding against the Board, and that is eligible under this subpart as defined in § 263.103, may receive an award for fees and expenses incurred in the proceeding unless the position of the Board during the proceeding was substantially justified or special circumstances make an award unjust. The position of the Board includes, in addition to the position taken by the Board in the adversary proceeding, the action or failure to act by the Board upon which the adversary proceeding was based. An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceedings.

§ 263.102 Prevailing party.

Only an eligible applicant that prevailed on the merits of an adversary proceeding may qualify for an award under this subpart.
